GALAPALOOZA 2009

On the eve of the Lollapalooza music festival, more than 600 guests gathered at the Petrillo Band Shell in Grant Park for the third annual GALApalooza benefiting Parkways Foundation, which raised \$250,000 for Buckingham Fountain Restoration Project. Lollapalooza founder Perry Farrell took the stage to introduce Vampire Weekend, while guests enjoyed a chic, open-air cocktail party and creative dining experience.
